

N95 Blue Wrap Mask Covers

This cover is **ONLY** to be used **ALONG** with an N95 mask and serve as an additional cover to protect the integrity of your N95 mask. Please follow the PPE guidelines for mask removal when removing the blue wrap mask cover from your N95 mask.

1. Hold the ends of the blue wrap mask cover and place the blue mask cover **OVER** your N95 mask.

2. Tie the blue wrap mask cover using a “shoe-lace” type knot.
