Camp Activities Include:

Campers participate in various activities each day on our beautiful campus. Camp is held primarily outdoors. Culinary Exploration: Campers engage in ice cream making, enjoying the fruits and vegetables from the school garden when available, and baking bread in the school's outdoor wood fired oven!

Water-play: Children should bring along a swimsuit for fun in the sprinkler, water balloons, and games.

Games and Movement: We believe children need to move to learn and the summertime is no different! Some organized sports will be combined with games new and old. Some examples of this are *Capture the Flag*, *Kick the Cone* and *Red Rover*!

Art: We let kids' imaginations run wild! Campers learn to draw, paint, sculpt—but mainly, have fun with art!

Nature: Direct experiences of nature are constant at River Valley Waldorf School. Children play outside on our natural playground in all weather. Children are encouraged to climb trees, roll in the grass, play in the mud kitchen, and with loose parts on the playground.
